

   
Leggi la storia

È primavera

Una mamma uccello vede un legnetto e lo prende

Mamma uccello vede un albero

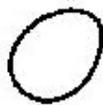

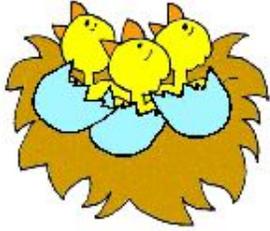

Mamma uccello costruisce un nido sull'albero

  
 Mamma uccello si siede sulle uova

  
 Le uova si schiudono

  
 Mamma uccello vede un verme e lo prende

  
 Mamma uccello porta il cibo ai suoi piccoli

ESERCIZIO 1

Riordina le sequenze della storia numerandole nel quadratino blu
